

Solid Carbide Spiral Router Bits

Solid Carbide 2 Flute Spiral

**Solid Carbide 2 Flute Spiral
With Chip Breakers**

**Solid Carbide 2 Flute Spiral
With Round Nose**

2 FLUTE SOLID CARBIDE SPIRAL

Chip breakers - Add "CB" to the end of the part number.

Round nose - Add "RN" to the end of the part number.

CST's solid carbide spiral router bits are manufactured in the USA from superior carbide and to exacting tolerances.

We have the tool you need for your applications.
